This event has been a huge success over the past several years, and we hope to continue that tradition. The tournament has attracted business owners and professionals from the local community, and its unique audience will allow you to gain targeted visibility for your company. Those who have attended have enjoyed participating in this tournament for many reasons: the challenge of Oak Creek's championship golf course, the opportunity to network with colleagues, and the camaraderie from associating with such a wonderful cause – raising funds for student scholarships.
